To whom it may concern;

I object in the strongest terms to the proposed ruling which would limit my ability to trade options from my IRA.

I have spent many hours learning the procedures involved in trading options, and have profited significantly from these trades, adding to my retirement income. To remove this source of income could significantly affect my lifestyle, and this attempt to "protect me from myself" is most definitely not appreciated!

Yours very truly,  
Stephen M Winber, DDS, MPS
